- 15. actually 1
- 16. ada 1
- 17. adding 1
- 18. addressing 1
- 19. adjourn 1
- 20. adoption 1

Interesting word usage pattern:

The words **hatter**, **hare**, and **dormouse** are interesting in the sense that they weren't used at all until Chapter 7 (when Alice was about to meet them in the next chapter). They were used very frequently in Chapter 8, then made no occurrences for the following chapters, and finally appeared in the second to last chapter.

Number of usages in each chapter of book:

Hatter [0, 0, 0, 0, 0, 2, 32, 0, 0, 0, 21, 0]

Hare [0, 0, 0, 0, 0, 4, 21, 0, 0, 0, 5, 1]

Dormouse [0, 0, 0, 0, 0, 0, 26, 0, 0, 0, 13, 0]

The word **queen** is interesting in the sense that it wasn't used at all in the first few chapters but was used very frequently in the chapter (Chapter 9) which immediately follows Alice's encounter with the Dormouse, Mad Hatter, and the March Hare.

[0, 0, 0, 0, 0, 4, 2, 31, 13, 0, 9, 9]

Favorite quote:

"We're all mad here." - Chapter 6

Generated sentence:

"The queen will look at the experiment tried to tell you to the game of course was terribly frightened mouse."
